

The screenshot shows the Ollie's website with a blue background featuring a large, stylized letter 'O'. The navigation menu at the top includes: GLUTEN FREE GUIDE, DINNER MENU, VEGAN DINNER MENU, KIDS MENU, LUNCH MENU, and VEGAN LUNCH MENU. The main content area has a white box with the text: JOIN OUR EMAIL LIST TO GET THE LATEST UPDATES, WELCOME TO OLLIE'S, We are a family friendly, casual dining restaurant in Farmington, Massachusetts. We make our food with love from scratch daily. We offer colorful accommodations for gluten free, vegetarian, vegan and taking notifications of allergen partnership. We are also PORK LOVERS! In other words, if we're not eating pork, we can't make it and we're not eating pork. We're not eating pork. We're not eating pork.

The Brand

A white silhouette of a bull standing on a blue background, representing the Bull Brand. The bull is facing left, with its head slightly turned towards the viewer. It has a thick neck, small horns, and a curved tail. The background is a solid blue color.

- Local
- Friendly
- Inclusive

Target Audience

Families and customers who'd like to enjoy an inclusive, laid-back dining experience. Ollie's aims to take care of not only their employees, but each and every guest who comes to visit.

Goals & deliverables

Create a redesigned website that includes the ability to make a reservation online. The original color scheme will be preserved while still making design changes. Many links will be consolidated to help the navigation of the site.
